Monuments & Headstones

- somewhere to visit, to lay flowers and remember.

Varty's Funeral Directors has remained a local family owned company since 1936.

During that time, we have built our business on good old fashioned family values, so you can be sure of the highest level of professionalism and service, when you need it most. Our pledge is to serve you with compassion, dignity, and a level of excellence you would expect from a long established family business.

A memorial is a lasting and final tribute, we use quality materials and NAMM accredited installation methods to ensure its safety and longevity. We have a wide range of high quality Monuments and Headstones and can offer additional personal touches to make each memorial as unique as the person it has been made for. All work is undertaken by our talented team of professional Monumental Masons. This brochure displays a sample of the monuments we offer. If you require something different to what you see here, please let us know.

We can help you choose the perfect, personal memorial to your loved one. Ordering is easy, and we'll help you through everything from choosing the Granite, to composing the right wording, in tribute to the person you have lost. We will submit applications to the relevant authority, church or crematorium, and will carry out the work, in accordance with your order, on approval of the application.

Further services we offer:

Cleaning of Memorials, Laser Engraving, Photo Plaques, Re fixing of Memorials, Memorial Restoration, Memorial Insurance.

NAMM Fixing

As members of NAMM and BRAMM organisations, our masons must comply with set standards and all new memorials must be fixed using the ground anchor. The National Association of Memorial Masons is an organization dedicated to furthering the memorial masonry industry and safeguarding the interests of the bereaved through the promotion of high standards, wide choice and increased understanding in all matters relating to natural stone memorials.
